We Value:

Integrity ● Intellectual Curiosity ● Innovation ● Individuality ● Involvement in HBHS Community

We Believe In:

- Inspiring lifelong learning and achievement through a broad range of experiences
- Encouraging all to strive for their maximum potential
- Upholding an atmosphere of mutual trust and respect essential to the educational process
- Recognizing that students, parents, and staff share responsibility for open communication to maintain a thriving school community.
- Maintaining a safe, productive learning environment

The School

Hollis Brookline High School is a four-year, academically oriented public high school accredited by the New Hampshire Department of Education and the New England Association of Schools and Colleges.

HBHS was named the #6 NH high school by **America's Best High Schools** in 2021 by *US News*, and has been listed on *Newsweek's* list for over **eleven** consecutive years. The standard coursework contains a rigorous college preparatory curriculum; the mean and median GPA are greater than 3.0. HBHS has an enrollment of 833 students, a current senior class of 229, 67 Professional Staff, and a Support Staff of 50.

Hollis Brookline High School serves the towns of Hollis and Brookline with a combined population of 12,833. HBHS is located west of Nashua and borders Massachusetts. The community boasts large apple orchards, farms, specialty shops and light industry. Professionals commute to Manchester, Nashua, NH and Boston, MA.

HBHS Curriculum

Hollis Brookline High School provides its students with an extensive and comprehensive curriculum, offering more than 165 courses in which the standard course consists of rigorous college preparatory coursework. Progressive work is available in the core subject areas. In Grade 9 and 10, accelerated classes are offered in English, Math, and Science; however, there is no additional weight awarded to the GPA. Honors and AP classes are offered to students in grades 10, 11, and 12, and additional weight is awarded toward the standard GPA. HBHS participates in the NH Scholars program. Students are also allowed to enroll in courses offered in regional technical programs at area high schools during their junior and senior years.

NH Scholars

NH Scholars is part of the State Scholars Initiative, a national program that partners with business leaders and recommends a rigorous core course of study to high school students. Beginning in Grade 9, participating students must complete a comprehensive course load in English, math, science, social studies, and world language. These courses will give students the necessary skills for the increasingly competitive work force and Post-secondary education requirements.
