Register by **October 31, 2022** at link below ↘
Held at Hollis-Brookline Middle School
Monday, November 14, 2022 from 5:45 to 7:30PM
- not a school sponsored event -

THEME: This year you are invited to make a project about the wonderful world of **magnetism**. Whether it is an experiment about the power of magnetism or a new invention about it, make something that showcases how amazing magnetism is.

REGISTRATION: Go to [REGISTRATION FORM](#) link to register to participate in the Science Fair. Students may work by themselves or in groups of up to three and there is no cost. Each student needs to register and note who you are working with. You will receive an email with project ideas and display guidelines shortly after you complete the online registration form. **Registration deadline is October 31st.**

Held at Hollis-Brookline Middle School

Monday, November 14, 2022 from 5:45 to 7:30PM

Questions and Helping Out:

Former science fair participant, Jason Bottino, who is now a 7th grader at the Academy for Science and Design, and his mom Marsha are leading the volunteer effort for the 2022 Science Fair.

Sponsorships and Raffle Donations:

In order to help the Hollis Elementary PTA raise funds to support enrichment at our elementary schools in the coming year we have created sponsorship opportunities for businesses at the Science Fair. See the attached Hollis Elementary PTA Science Fair Sponsorships Sheet for details of \$1,000, \$500 and \$250 level sponsorship benefits.

\$1,000 sponsors can have a display at the Science Fair to showcase their STEM products and/or provide hands-on magnetic experiments for kids to try in addition to recognition on event materials.

We are also accepting donations of STEM related raffle prizes. Please contact marsha.bottino@gmail.com with questions or to make a sponsorship or raffle donation.

Sponsorship Opportunities: Businesses are invited to sponsor the Hollis Elementary PTA and promote STEM in our elementary schools by donating one of the three levels listed below.

Gold Donation - \$1000. Includes display area at science fair, recognition on event materials, and ability to hang company-provided banner at the science fair. Gold Sponsors will have the opportunity to have a display table at the Science Fair on November 14, 2022 to demonstrate a STEM related product, hand out promotional items that are appropriate for elementary school students and/or have a magnetic related hand-on activity for kids to explore. Fair runs 5:30-7:30PM.

Silver Donation - \$500. Includes recognition on event materials and ability to hang company-provided banner at fair.

Bronze Donation - \$250. Includes recognition in science fair program.

About the Science Fair: After a 3 year hiatus due to COVID-19, the Hollis Elementary PTA (HEPTA) is once again organizing a Science Fair for students in grades K-6 at the Brookline and Hollis Elementary schools. The 2022 fair is being chaired by former Science Fair participant Jason Bottino, a 7th grader from Hollis, with the support of HEPTA. Jason has chosen to have an annual theme to the science fair and students are invited to bring an invention, experiment or display related to magnetism to the 2022 Science Fair. Please email completed sponsorship forms to marsha.bottino@gmail.com
