

ENROLLMENT POLICY

Just as it is the District's responsibility to provide an education to all resident pupils between the ages of six years and eighteen years, it is the responsibility of resident parents to enroll their children in school, consistent with this policy and with all applicable state laws.

It is the policy of the Hollis Brookline Cooperative School Board that all students enrolling in school must do so on a full-time basis. For the purposes of ensuring appropriate pace and progress toward earning the Hollis Brookline High School Diploma, "Full-time" shall be defined as actively enrolled in a minimum of 6 approved (in accordance with Policy IMBC: Alternative Credit Options) courses and/or credits

The only exception to this policy shall be for fifth-year seniors and students whose specialized plan requires variations of student schedules. In the event the State Department of Education advises that part-time students can be counted for state aid purposes, the Board will reconsider this policy.
