Category: Priority/Required by Law

Related Policies: *IJOC & JICK*

All district employees, designated volunteers, and contracted service providers having reason to suspect that a child has been abused or neglected shall immediately report by telephone or otherwise and followed within 48 hours by a report in writing if so requested to DCYF Central Intake and the District Superintendent.

The written report shall, if known, contain the name and address of the child suspected of being neglected or abused and the person responsible for the child's welfare, the specific information indicating neglect or the nature and extent of the child's injuries (including any evidence of previous injuries), the identity of the person or persons suspected of being responsible for such neglect or abuse, and any other information that might be helpful in establishing neglect or abuse or that may be required by the Division of Children Youth and Family Services.

The Superintendent is directed to assure that the Principal or their designee of each school shall post a sign within the school that is readily visible to students, in the form provided by the Division for Children, Youth and Families, that contains instructions on how to report child abuse or neglect, including the phone number for filing reports and information on accessing the Division's website. Additionally, information pertaining to the requirements of section A of this policy shall be included in each student handbook or placed on the district's website.

Training for all District Employees, designated volunteers and contracted service providers is recommended (in-person or online) upon beginning service with the District, with annual refreshers thereafter, on the mandatory reporting requirements, including how to identify suspected child abuse or neglect.
