6/2/22

**Attention Grads! Getinge, a medical device company with a manufacturing facility in Merrimack is hiring!!!!** They have a number of entry level opportunities available that could pave the way for a long term career in the life science/medical device industry.

Manufacturing Associates enjoy benefits from day one, including:

- Medical, dental, vision care options
- 401(k) with company match
- Generous time off
- Opportunities to advance within the company, either within manufacturing or in other areas/locations

**In addition, after one year of service, they offer tuition reimbursement up to \$15,000 per year. For anyone looking to remain in the Merrimack area while they pursue their degree, this could be a great answer to the “how will I pay for college?” question.**

No experience is necessary for these entry level roles. Candidates must have a high school diploma/GED (or be about to graduate in the next month), be at least 18 years of age, be able to communicate well in English, and be able to pass a drug test and background check. Please note that these are not summer jobs; these are full time year round 1<sup>st</sup> and 2<sup>nd</sup> shift positions.
